

creative holiday soaps

It's that time of year! Holiday cheer, family get togethers and the joy of giving gifts for those we love and care about. Your customers are always looking for neat stocking stuffers so give them what they want!

Our holiday soaps are always in big demand. Although we make huge quantities for the holiday season, once their gone - their gone...You'll have to wait another year if you miss these now...

Just to be safe - all of our soaps are mild on your sensitive skin. There are no nuts, milk or peanut oils used in our soaps! If you have very sensitive skin care issues or you find yourself allergic to nuts, milk or peanut oils - use our soaps worry free.
